Rain Location: North Kingstown Community Center, Beach Street

- Thursday, July 9      **Drumming About You – Bob Bloom** - Start the summer with a bang! At this all-ages interactive hoot, everyone gets their hands on Bob Bloom's huge collection of drums and percussion instruments. Come and play along! Fun for every age!
- Thursday, July 16      **Jon Nelson's Rockin' Kids Revue** - a mix of classic children's songs, rock & roll, hilarious hats, jokes, dancing and more! Jon plays guitar, sings and gets his audience rockin' and boppin' to the music. Jon is a featured performer in the Boston Red Sox "Family Room."
- Thursday, July 23      **Jay Mankita** - Jay Mankita is an award winning songwriter, a humorist and tetherball champion, and a wicked-good guitarist. He tours in a van powered by veggie-oil. Jay's songs are about things that matter, and there'll be plenty for the adults to enjoy in this family-friendly concert
- Thursday, July 30      **Vic and Sticks** – Vic and Sticks bring songs from the "comic side of life" with a vintage/vaudeville/recycled rhythm beat! This fast-paced music show, which is great for preschool age children right on up to adults, encourages audience participation as the children become part of the Vic and Sticks band!

**Volunteers needed at Summer Children's Concerts:** Members of the NK Arts Council currently manage the Thursday Concert Series, but would like to "break in" several volunteers to take over the series for the summer of 2110. If you like children and you like planning events, consider becoming involved in this series. It is fun and rewarding. For further information, contact Stephanie Armstrong at Town Hall, 294-331 X241 or email [info@NKArtsCouncil.org](mailto:info@NKArtsCouncil.org).
